| 1. With the approach of good weather the Russians are resorting to draconian measures to increase uranium production in the Czech mines. They have asked the Socialist Unity Party (SED) in Germany to procure German laborers for these mines because of the low efficiency of the Czech workers. Wilhelm Pieck, co-chairman of the SED, has been placed in personal charge of the re- ILLEGIB | |
| arrived daily. They were sent almost exclusively region, where 31 new shafts have been opened, and working in the mines there. The women are employed zenberg, 18 km. from the city. The Hotel "Neue We and their quarters are very crowded. Some barrack Shainbach. | some 17,000 persons are ed in the forest of Schwar-elt" houses 1,500 women |
| 3. Early in March the district was inspected by three panied by Major Ettkin, director of the Turmschach mines. Exceptional security measures, including he to protect the Russians. | nt and David Richt-Schacht |
